For Immediate Release

Datacor's Elzahr Earns Project Management Professional (PMP) Certification

Florham Park, NJ – January 2017– Datacor, Inc., the leading developer and providers of Enterprise Resource Planning (ERP) and Customer Relationship Management (CRM) for Process Manufacturers and Chemical Distributors, is proud to announce that Alfred Elzahr has earned his certification as Project Management Professional (PMP).

This certification, awarded by the Project Management Institute (PMI), signifies that Alfred possesses the knowledge and skill necessary to lead and direct project teams, and deliver project results within the constraints of schedule, budget, and resources.

Alfred Elzahr, PMP, Senior Implementation Consultant, has thirteen plus years of managing software implementation projects for Datacor, Inc. Al has been involved in all project management activities including multi-phase system migration, process improvement analysis, and acquisition integration. He received his Bachelor of Arts Degree in Accounting from Stockton University, his MBA in Information Systems from The Lubin School of Business (Pace University) and recently achieved his Project Management Professional 'PMP' certification.

We congratulate Alfred Elzahr on this wonderful achievement and are proud to have him at Datacor, Inc.

About Datacor, Inc.:

Datacor, Inc. was founded in 1981, has been the leading provider of business management software solutions for Process Manufacturers and Chemical Distributors. Its Enterprise Resource Planning (ERP) and Customer Relationship Management (CRM) solutions were created by developers who understand the challenges and idiosyncrasies of the industries we've served for over 30 years.
